

Board Discretionary Fund

DESCRIPTION OF MAJOR SERVICES

Beginning in 1999-00, \$1.0 million was allocated evenly between the five supervisorial districts as board discretionary funding for priority policy needs that may be identified during the fiscal year. In 2005-06, the annual allocation was increased to \$2.0 million, and in 2006-07 it was increased to \$2.5 million. During 2008-09, the annual allocation was increased to \$3.75 million, which was maintained for 2009-10.

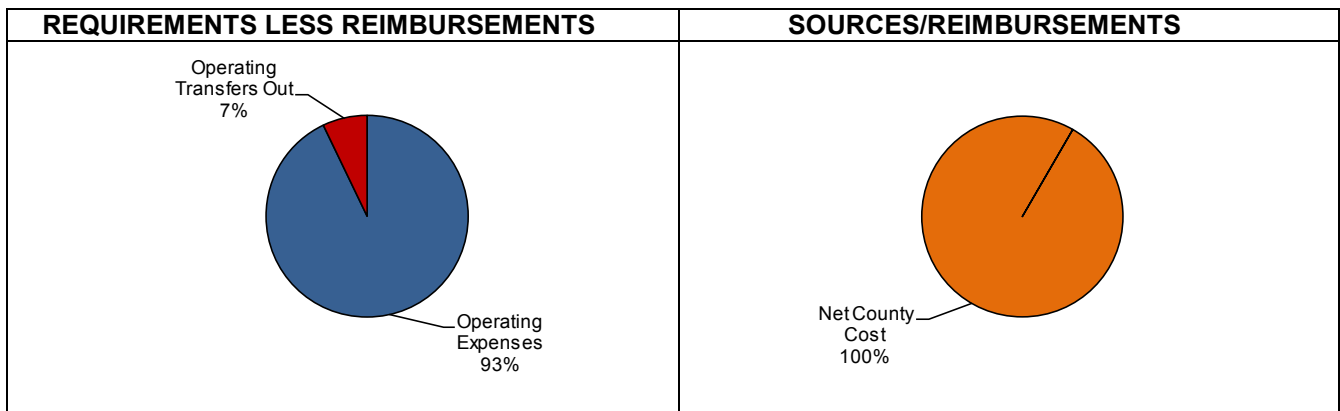

The annual funding for 2010-11 was decreased to \$2.25 million and was subsequently transferred into the Board of Supervisors (Board) operating budget as part of the County's First Quarter Budget Report, which was approved by the Board on November 2, 2010. In 2011-12, the Board began obligating the remaining balance of funds via the County quarterly budget reports. Once approved, allocations are to be expensed within twelve months and existing allocations not spent within a fiscal year are carried over to the subsequent fiscal year by district. There is currently no ongoing funding included in this budget unit. County Policy 05-10 (formerly 02-18) provides that these funds are to be exhausted by the end of Fiscal Year 2015-16, and any remaining unspent funds are to be returned to the County general fund.

Since the inception of this budget unit, the Board has identified various community programs in alignment with the County's vision of creating, supporting, and enhancing vibrant communities that emphasize beauty, culture, art, recreation, education, and a sense of history. Through use of these funds, and in conjunction with these community programs, the Board of Supervisors has provided support for several projects that promote the health, safety, well-being, and quality of life for County residents.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Requirements of \$4.2 million represent funds carried over from prior fiscal years to support various community programs and projects that promote the health, safety, well-being, and quality of life for County residents. Operating expenses make up the majority of expenditures within this budget unit and includes allocations made directly to local agencies and non-profits as well as allocations to County departments to support various public works and community improvement projects.

BUDGET CHANGES AND OPERATIONAL IMPACT

These funds are utilized by Supervisorial Districts to support community programs and projects. In accordance with County Policy 05-10, these funds are allocated at the sole discretion of the Supervisor within his or her own Supervisorial District. On February 7, 2012, the Board adopted an amendment to County Policy 02-18 (now County Policy 05-10) which revised the policy related to the administration of these funds. In addition to new procedures regarding the administration of these funds, the amended policy also provides that these funds are to be exhausted by the end of Fiscal Year 2015-16, and any remaining unspent funds are to be returned to the County general fund.

The budget includes a reduction of \$1.6 million in requirements and represents payments made to support community programs and projects during the 2013-14 fiscal year. As of the Third Quarter Budget Report on May 6, 2014, funds remaining to be obligated by the Districts total approximately \$3.2 million. There is currently no ongoing funding included in this budget unit.
